PEOPLE

OUR YEAR

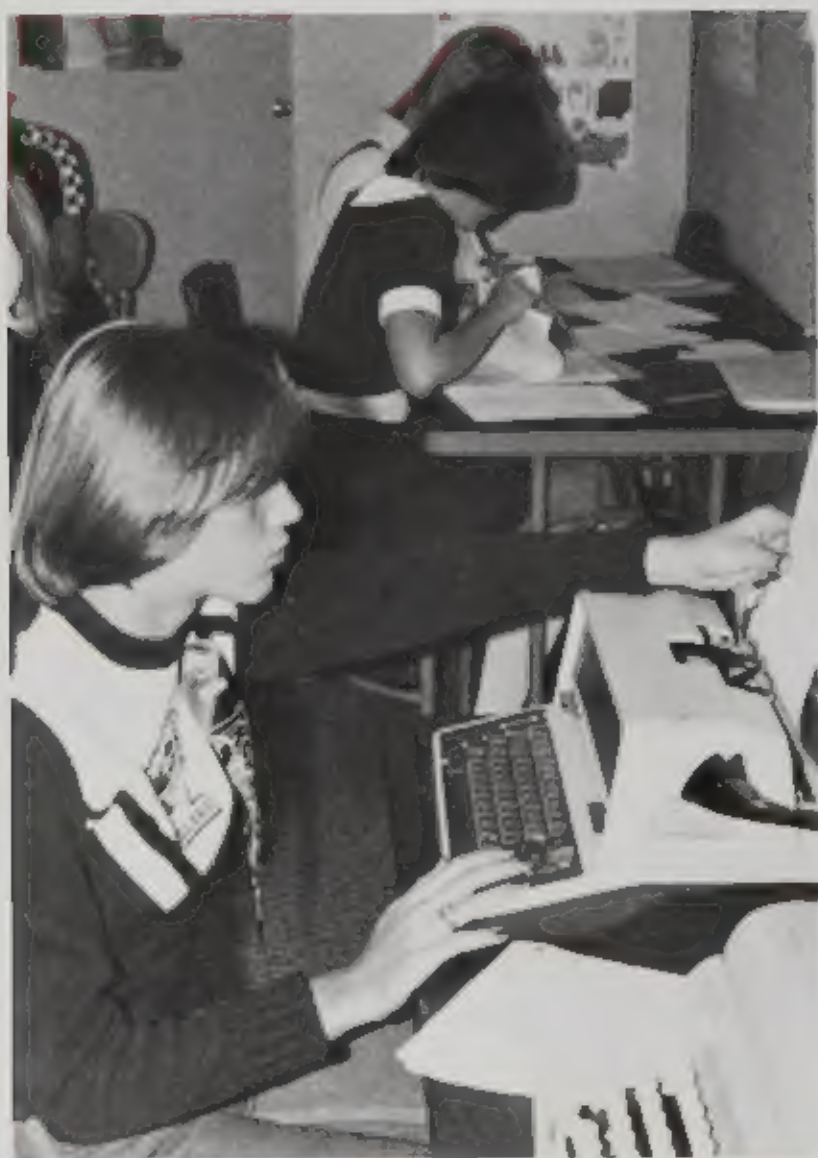

This is Yukon High School, enrollment 1200, faculty 57, and spirit unique.

Our students are typical energetic, fun-loving teenagers facing problems adjusting to the changing world. Our adjustment of the changing times constantly evolves around our experiences at Y.H.S.

Our competent administration and faculty are always ready to lend a sympathetic ear or helping hand.

Our Miller Spirit is that undefinable something which ties together, and gives life to Yukon High.

For this reason we dedicate the '78 Miller to Our Year at Yukon High, to the students, faculty, and to the Miller Spirit.

V. Cramer, C. Walker, L. Weibel study American History and K. Tootle types for the "Scene." A. Ridgeway, C. Hixon, and K. Dowdy in the library.

C. Shaw's in trouble again. Beginning publications class looks busy and alert.

In our year, McDonald's was the new place to eat. D. Chapman and N. Tarbox enjoy lunch. A. Schantz munches on his hamburger.

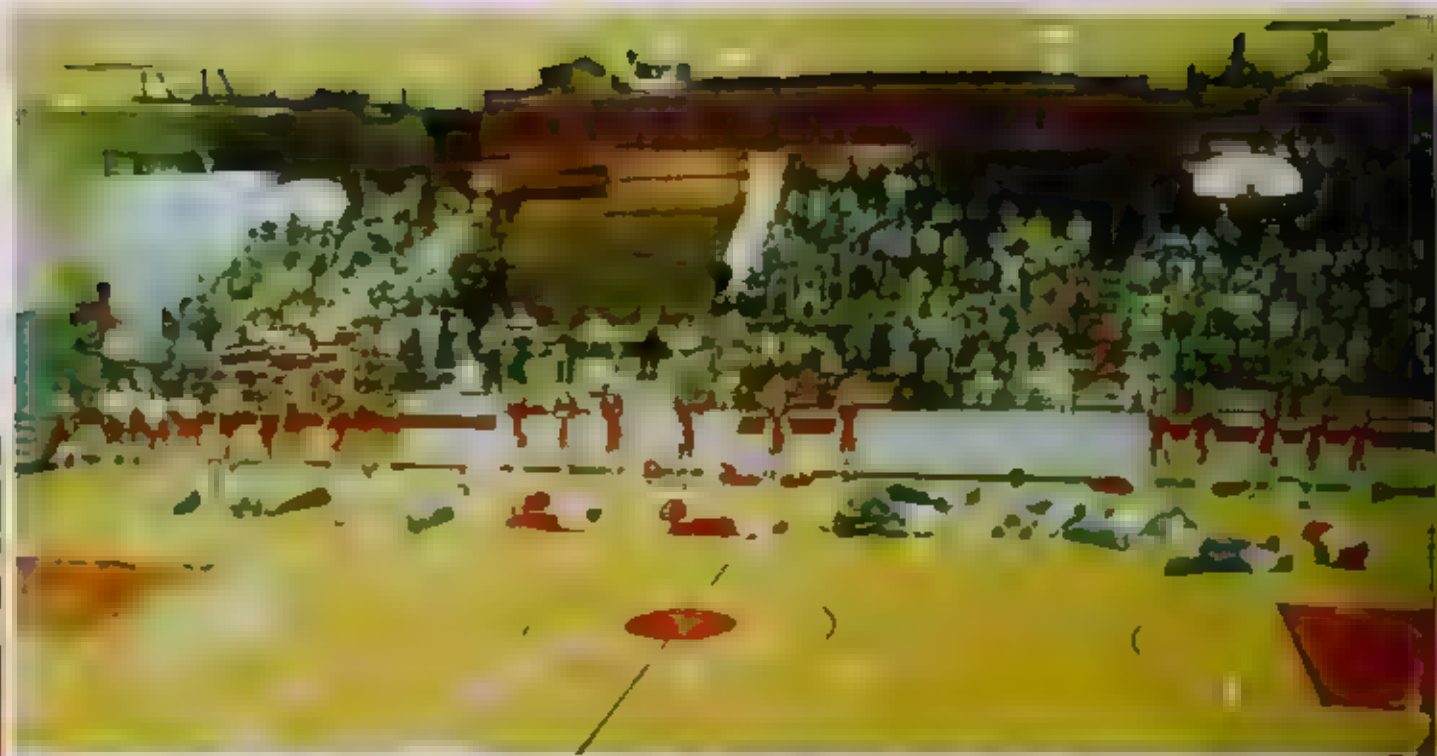

While some people enjoy lunch, others are still in class. K. Frey and C. Donnelly surprise Mrs. White. D. Pifer and S. Bowlware discuss the day's events.

SPIRIT

Our year in sports begins with many hours of hard practice as shown by members of wrestling, football, basketball, softball, and cross-country.

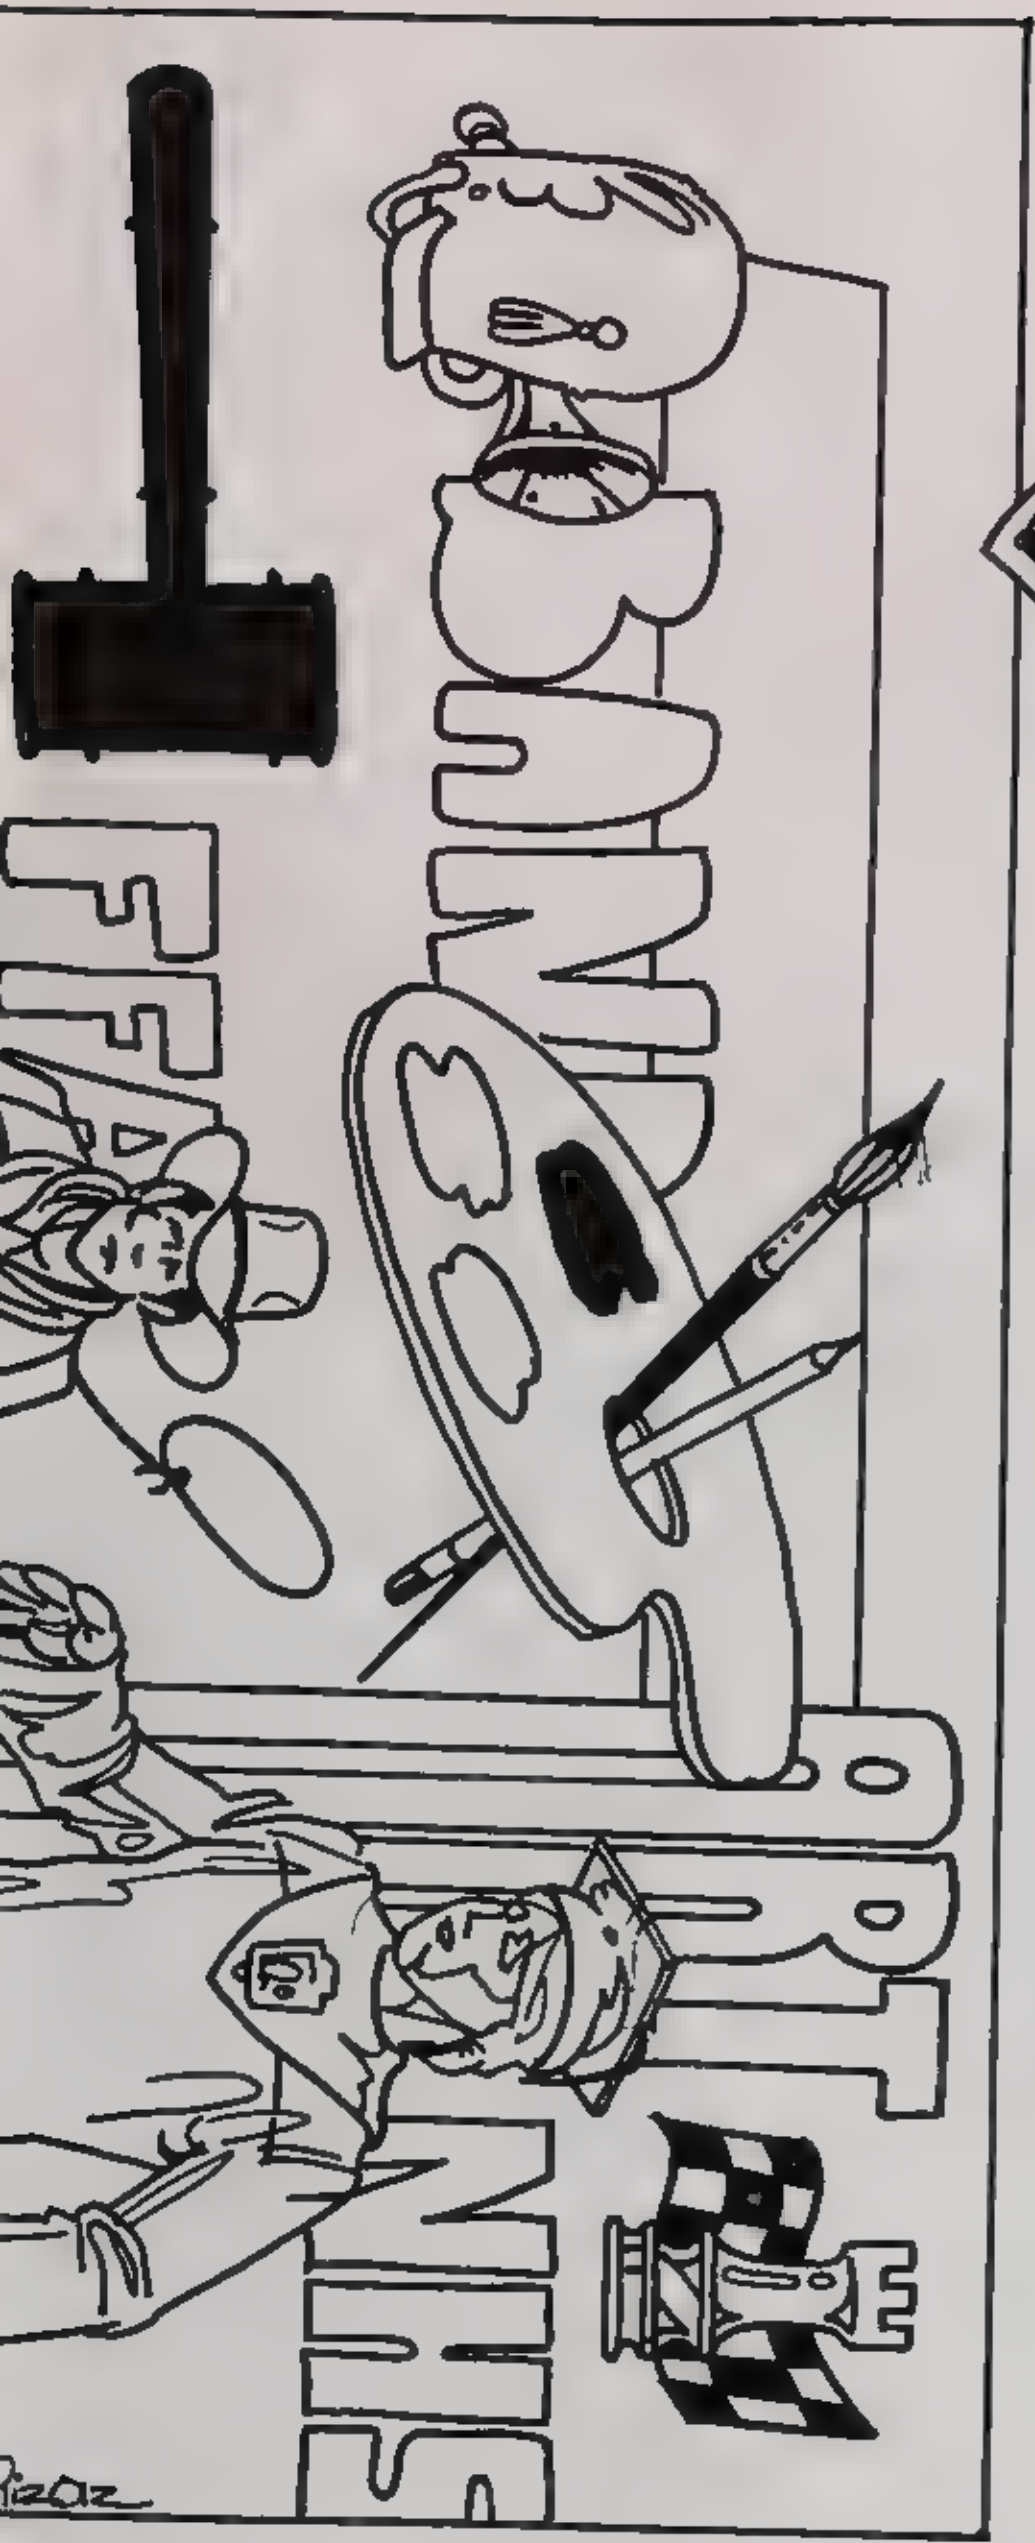

OUR DAY ENDS

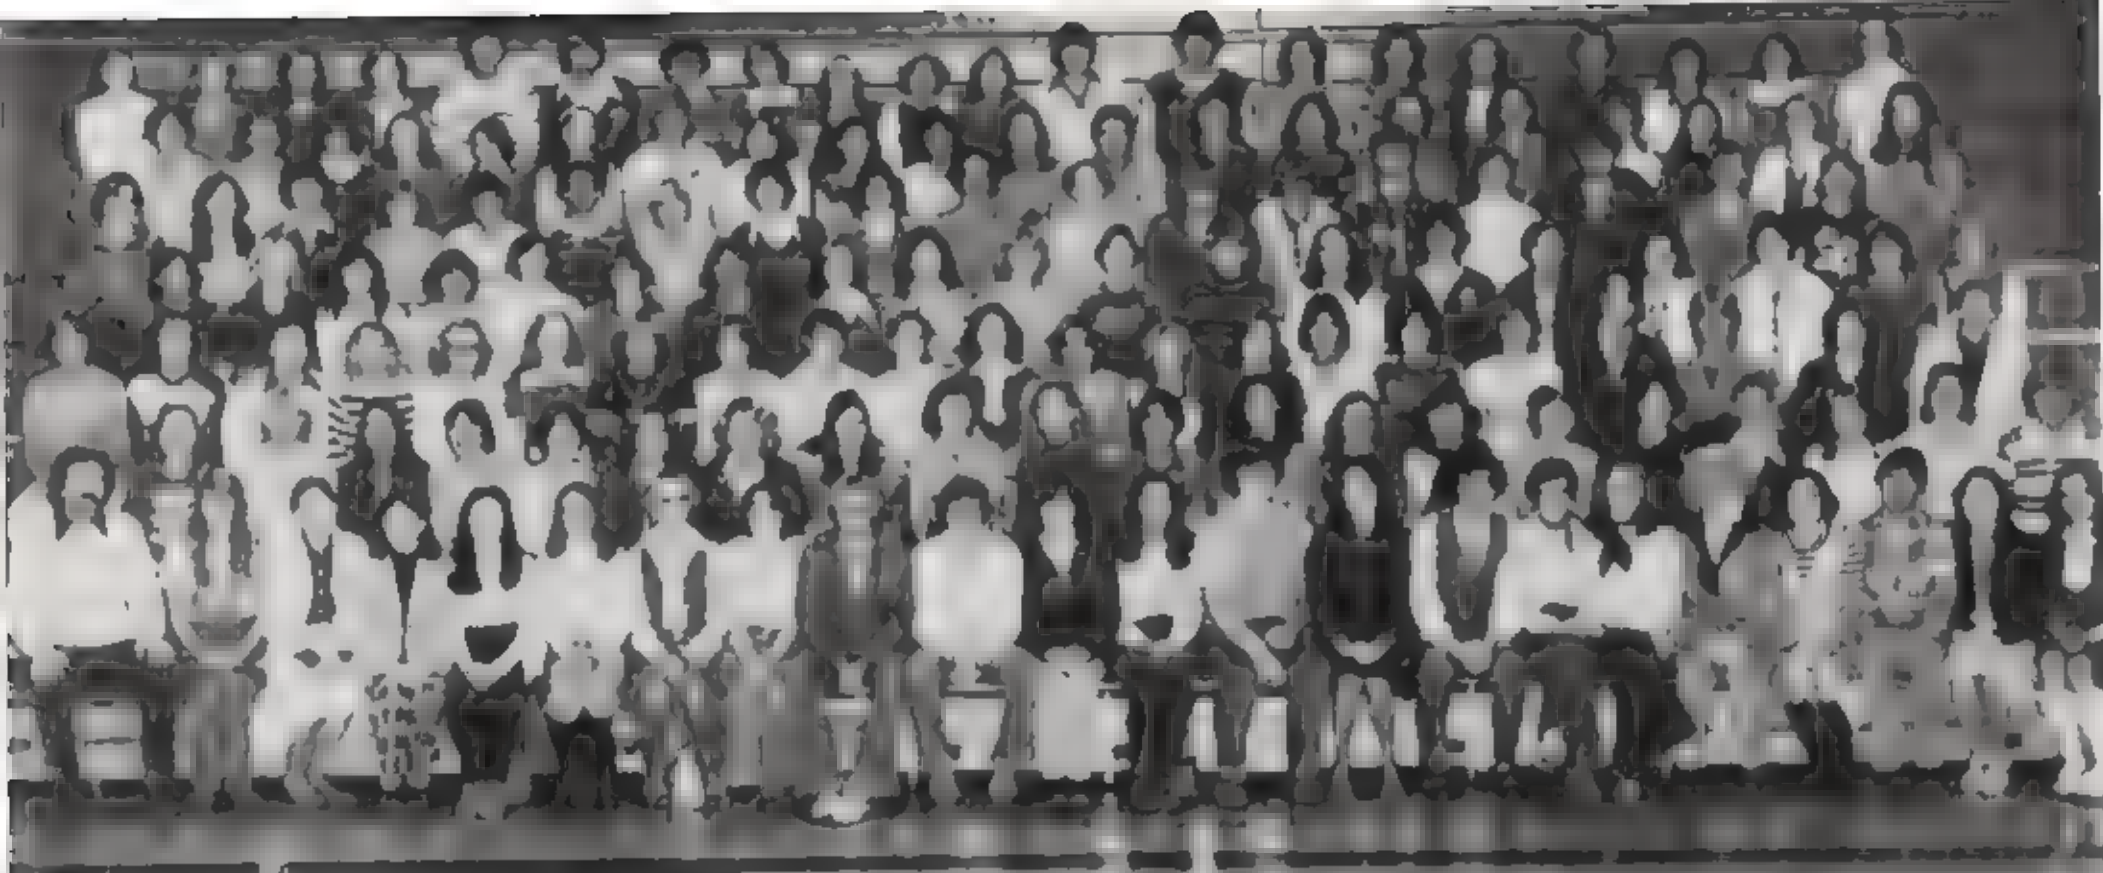

This section of the yearbook has portrayed a typical day in our year. All students at Yukon High School worked together to make our school year of 1977-1978 the best yet.

As the day came to a close for some students, other students such as C. Childers and J. Stout still had an hour of Biology class to go. Eddie Brandon and Meg Pifer put in extra time after school while working to get the "Scene" ready for the local newspaper.

(above and below) The scene changes in "Fiddler" were coordinated by stage manager Joel Meyers (above with board).

For the first time, Yukon qualified for the state one-act play competition, and carted home no less than three sweepstake trophies at speech contests throughout the year, last year. Debators continued to do well as this year's squad. Although young, they were determined to continue the tradition established over the last few years, with five of the top six debators returning, it should be a great year in 78-79 for Yukon.

YUKON DRAMA

Breaking with tradition was the Drama department as they combined with the Vocal department to present "Fiddler on the Roof" this fall and the full-length play was switched to the spring. Fiddler was greeted as an overwhelming success as the cast of 50 cast members sang and acted their way into the hearts of two overflow crowds. The spring play was not known at press time.

Working behind the scenes here is Alan Davis.

Practice makes perfect. Pictured here are David Shuler and Christi Blackmore.

Keeping time during a debate is Deean Avery.

The Y.H.S. student council has been involved again with such school projects as a teacher reception, student directories, school dances, assemblies and other various projects. They were district V. Pres. and chose to have a national delegate. The council went to the Southern Association of Councils. They are a go-between for the administration and the student body. The council worked on a clean-up campaign and a police-student relations project. This year's council did a fine job.

Yukon Miller "Buffalo Bob" Riddle showed his get up and go as he got up and went. Here Bobby tested his skill in order to out-maneuver a Choctaw player. Yukon Millers defeated Choctaw Yellowjackets in the second game of the season, 23-8.

Through every game of our season, the Yukon Miller sidelines were filled with spirit and optimism.

There were injuries throughout the 1977 football season, but the injuries were unable to stop the Yukon Millers. Our football team became Conference Champs for the second consecutive year. Though Ada defeated Yukon 14-0 in the first round of the state play-offs, the 1977 Miller season was very successful, and held a winning season record. The season was ended with an 8-3 record for the 1977 Yukon Miller football team.

Though Duncan became the 1977 3-A state champs, Yukon defeated Duncan 20-7 in the seventh game of our great season.

This year the 1977-1978 Yukon Miller basketball team indulged in many victories. After their loss to Norman earlier in the season, the mighty Millers made a great comeback and picked up the wins once more. Attendance of the Miller fans proved very supportive, especially when the roundballers needed it most. The Yukon fans were always enthusiastic throughout the season, turning out for many away games. The Millers had a steady record of good games. All losses were within only a few Points of the opposing teams. As always, the wins greatly outnumbered the losses.

Congratulations goes to the Junior Varsity for going undefeated all year under the coaching of Jim Kitch. (2) A famous carpenter free throw. (3) Doug & Chris watch for another Miller basket. (4) Todd directing players again.

Pictured to the right are Terry George and Bob Riddle. Bobby is an alldistrict baseballer from 1977's season, and Terry made the all-state tournament team in 1977.

The Yukon baseball team made it past the quarter finals last year. They defeated Tulsa Washington 3-2, though Tulsa Mason defeated Yukon in the semi-finals. Tulsa Mason went on to win state.

The Yukon Miller baseball team hold a record of 37-14 for their past season. Opening with Putnam City in 1978, the Millers are hoping to beat an already winning seasonal record. This season finds the baseball players and coaches alike in high hopes and expectations. A good bunch of sophomores have turned out, adding ability to the team. Fifty games are scheduled for this season.

Some returning lettermen expected to make a good show are B. Riddle, T.

George, C. Brakefield, J. Wagner, J. Kennedy, R. Simmons, B. Bailey, K. Lassiter, and M. Rischard. The Yukon baseball team's numerous fans hope to find the Millers at State play-offs when May 5 & 6 has arrived. Good luck, Millers!

Cross Country is a distance race that is run literally 'across the country.' The course is a thin white line winding through trees, sand, rocks, and grass; over tree stumps and streets, and sometimes ending in a grueling uphill finish. Girls run one mile; boys run three.

This year Yukon High School's Cross Country teams have shown a lot of enthusiasm and improvement. The girls' team was off to a good start as every girl came home with a trophy from the first meet at P.C. West. The boys' team also ran at this meet and turned in some of their best times for the season. In Nov. the boys' team was ready for the 4A regionals at Midwest City and the girls went directly to their state meet in Tulsa. At state the girls finished fifth place in team standings and Jane Clough captured the 3A First place trophy.

Ms. Donna Gieger and Mr. Jim Kitch were the coaches responsible for the successful 1977-78 season.

Pictured to the left are those girls who went to state; (standing) Cindy Coffman, Jane Clough, and Coach Geiger; (seated) Robin Jackson, Tina Harvey, and Toni Perry.

The girls' basketball team displayed skill and much ability throughout their season defeating many good adversary teams. Yukon's girls have come a very long way in a very short time. Their different abilities have expanded quickly since the team began four years ago. This year, with a new season and more opportunities, Yukon Millerettes showed many others how to play the game. (S. Rieck, S. Steinberg, & V. Kinard take possession of the game ball.)

There are many outstanding participants involved in every sport and many of the girls proudly display their abilities with the medals they own.

WE ARE MIGHTY OUR SPIRIT GREAT SENIOR CLASS OF '78

Spirit is the key word to describe the senior class of 1978. The seniors of "Our Year" are consistently found boosting the traditional pride at pep rallies and in the hallways of Y.H.S. There are always seniors to give support to school events and sports activities during

"Our Year". Our seniors dominate in school participation. The Class of '78 and Our Year will always be remembered by others of Yukon High School. Good Luck to the senior class of 1978! It was truly your year.

WE'RE BIG AND MEAN AND MIGHTY

The juniors of Yukon High School may be the smallest class in "Our Year", but they do their part, and sometimes much more, to make "Our Year" the best ever. The juniors of 1978 are well on their way to being seniors of 1979 and they're proud of it. Though they have the smallest class, they make up for it with their active participation in school activities and spirit. We at Yukon High have a very unique class of juniors in "Our Year".

The junior class officers of 1977-78 are: M. Pifer, sec; K. Lassiter, V. pres; B. Riddle, pres; E. Garcia, tres.

THERE'S A

JUNIOR

SOPHOMORES

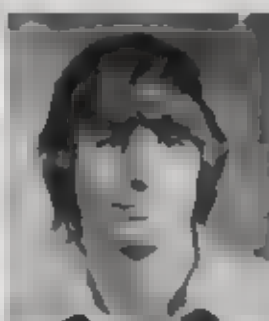

ENJOY "OUR YEAR"

Each year a new class joins our school. That new class is the Sophomore class. This year Yukon High School acquired the largest number of sophomores the school has ever had. The sophomores out-numbered the two other classes this year. This seems to be the liveliest and most energetic class of newcomers ever to enter the halls of Y.H.S. Good luck in your future days here and Y.H.S. hopes you will remain as spirited as you did in "our year".

Sophomore class officers:

George Eifler; president, Cindy Prafka; vice-president, Christi Lassiter; secretary, Terry Hyman; treasurer.

Some of the things we'll give her you can't pay for.

Self-respect, for one thing And warmth
Companionship. Motivation

These are things you can't buy for
someone. But everyone who comes to
Spanish Cove finds them. Because
Spanish Cove is more than you expect
It's not an 'old-folks' home. It's a 'home'
And the people who work here aren't just
skilled in their professions. They're skilled
in humanity, too

When someone you love needs care, let it
be care with love in it

Let it be Spanish Cove

For active individuals or couples, 62 or
over. Independence and security for our
residents. Peace of mind for you

....of Our Year

OUR YEAR

Bringing back memories of past victories and defeats, the Miller stadium is empty now, awaiting another football season. We remember the good times spent there, and look forward to the times yet to come.

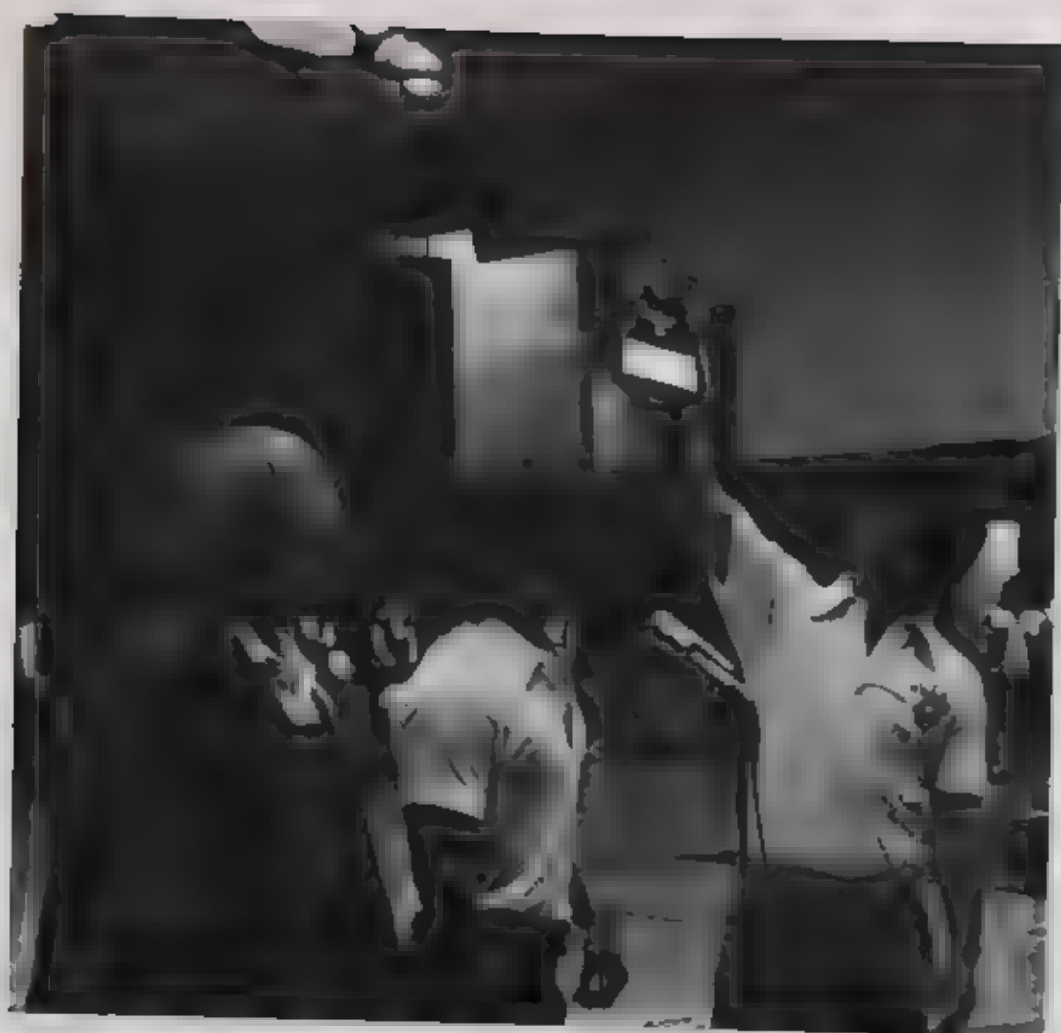

THE END OF ACTIVITIES

Above: Laughter is the best medicine for some students during lunch time. It helps prepare them for another hour of classwork. Below: Lori Rowlett and Mary Visna help to create spirit throughout our year at sports events and pep assemblies. Along with the other cheerleaders, they represent our school with great pride.

Above left: Football managers present Coach Smith with the "Hook 'em Up" award. Above right: Mr. Perry makes an important announcement. Below left: Tommy Carpenter checks out a book to Darlene Craven. Below right: Yukon drummers beat their way to a top performance.

FOOTBALL PROVIDES ACTIVITIES FOR MANY ORGANIZATIONS

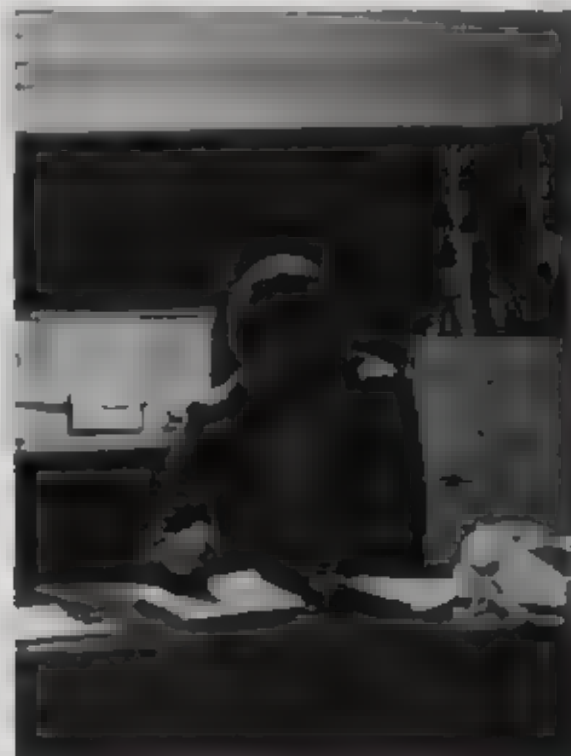

In our year, many faces, old and new, are seen in the Miller hallways. Though no one ever accomplishes the task of meeting and getting to know everyone else at Yukon High School, there is still a fellowship bound between the students and faculty. That fellowship is Miller pride.

Above left: Something interesting happening? Y.H.S. students watch with interest at an assembly. Below left: Students enjoy lunch in the student union, where the elite meet to eat. Below right: Daniel Jones, one of the office aides, is at your service during fifth hour.

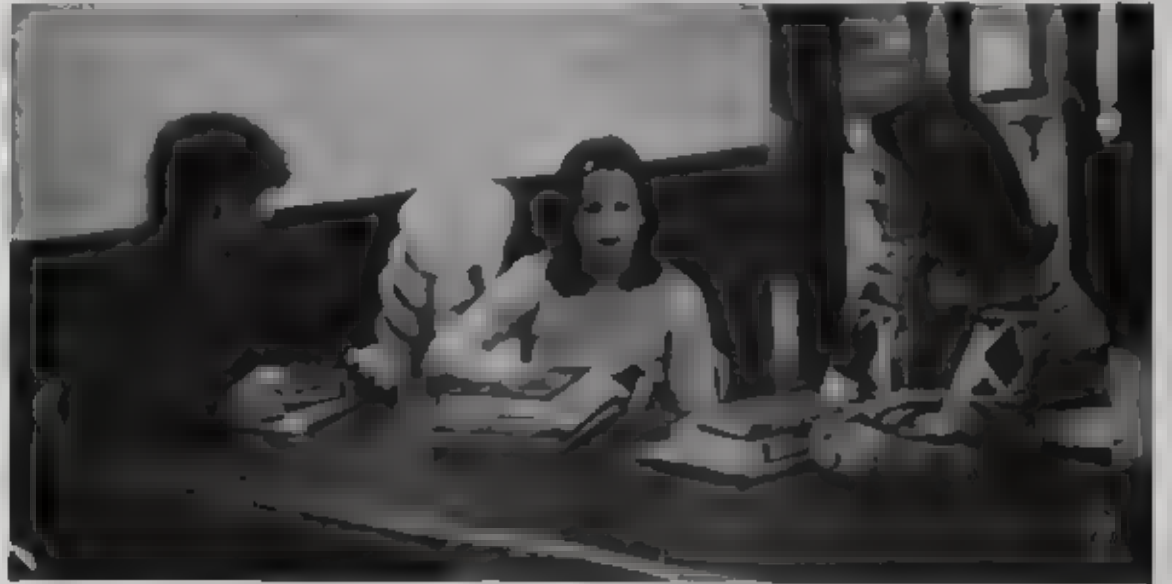

1 Kelly Snyder gives Kelly Rukes a suspicious glance, 2 Are all the teachers really having fun? Just ask Mr. Earson, Mr. Winkles, Mrs. Riddle, Mrs. Dillord, 3 I wonder what they are listening to? Jana Wood, Tami Robinson, Judy Rollins.

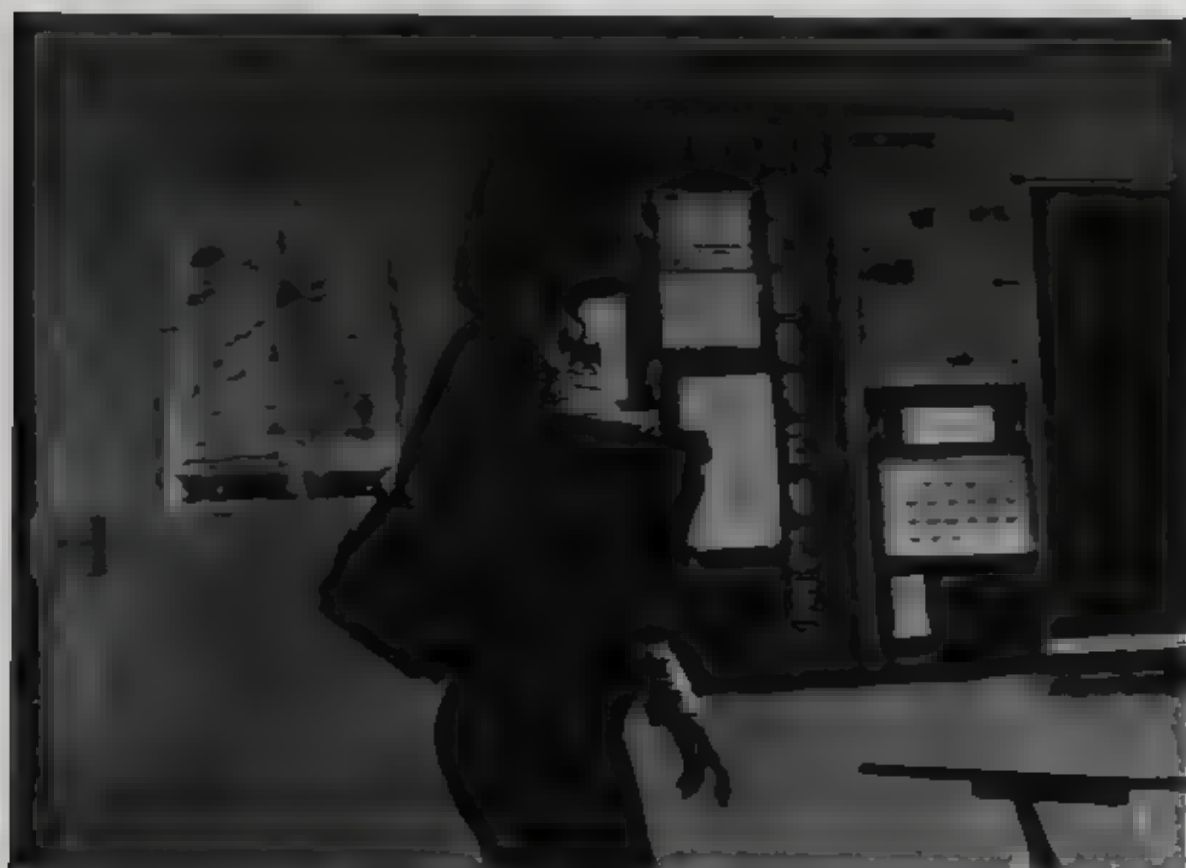

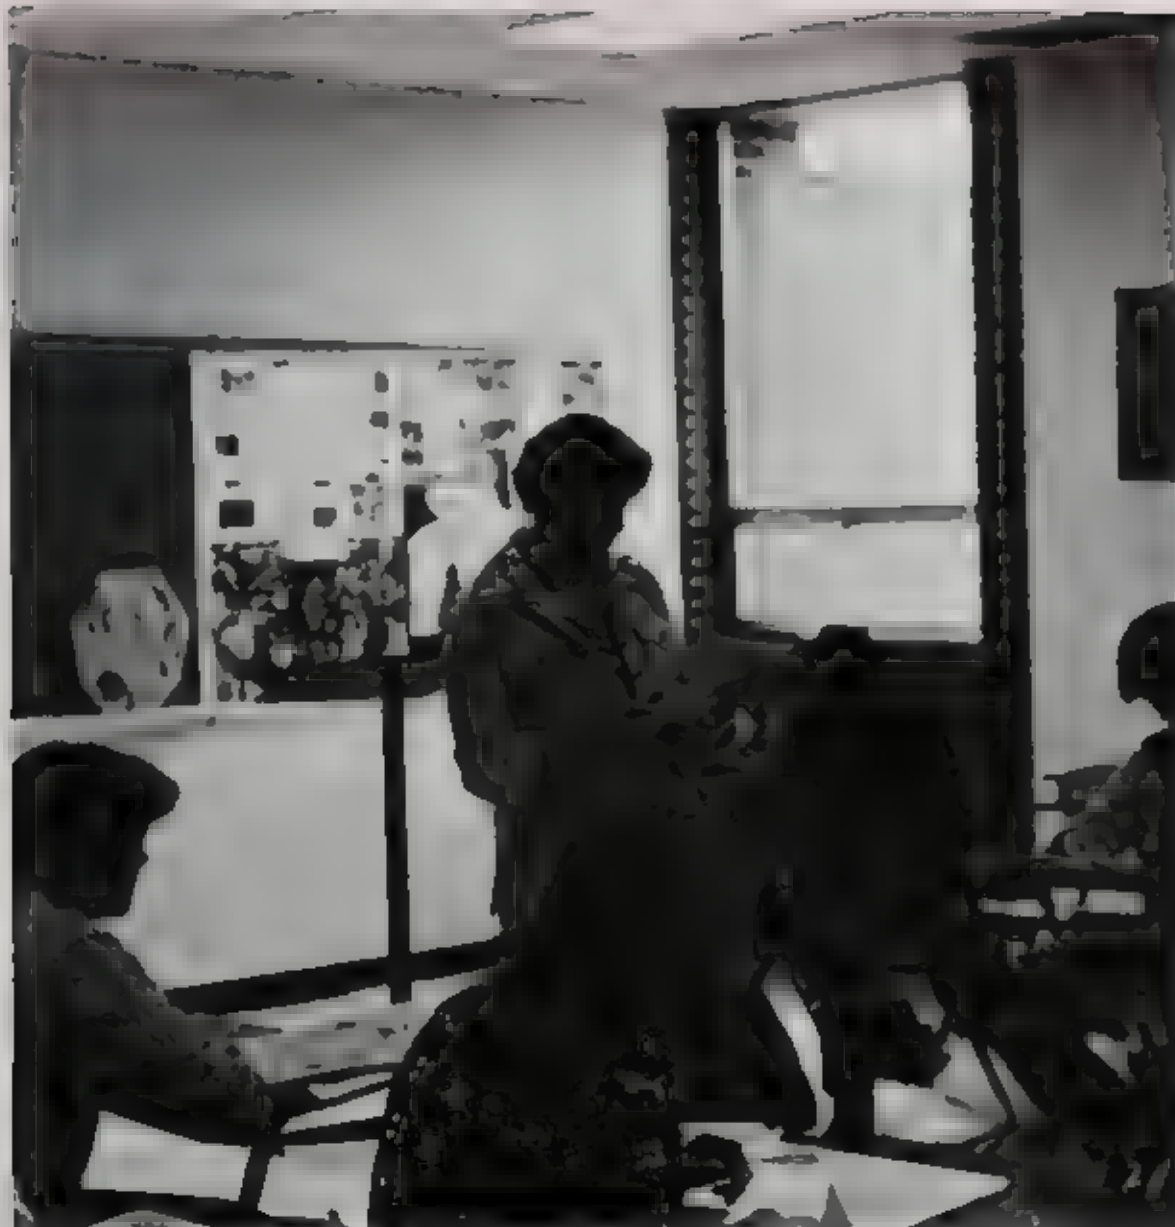

(1) Students in Mrs. Whites Chemistry class work at finding new and exotic formulas. (2) It looks as though something really exciting is happening. Just ask these junior girls.

1. The cheerleaders show their Miller Spirit. 2. Lori Rolett, senior yearbook queen candidate, is escorted by Doug Piper. 3. Diane Russell tells Janice Harmon and Mark Nevil about the next party. 4. Play that tune! Seniors, Robert Sackett and David Perry sharpen up on their trumpets.

1. Smile, Ginger Godwin! It can't be all that bad. 2. "Would you read to us, Mrs. Harper?" 3. "oh! He's not there today!" At least, this is what Tena Williams seems to be thinking. 4. Attempting to leave the school grounds, Jeff Reed and Mark Miller?

DEDICATION DEDICATION DEDICATION GENE CRANFILL

The 1977-78 Miller is dedicated to one of the greatest men in the school system, Mr. Gene Cranfill.

Mr. Cranfill has been with the Yukon school system for 21 years. He started out as a sixth grade teacher at Central, then was promoted to principal of Central and Myers elementary schools. In 1970 he became the Assistant Superintendent where he is presently employed.

Mr. Cranfill is the one-of-a-kind man that every school needs. He is involved in all the clubs and takes a personal interest in every student. Who else would cut out Winnie the Poohs from magazines for Christy Blackmore? Build a cart for the Drama Club's play because no one could find one? Collect old baby pictures for the Scene page? Drive a bus at 5:00 am to a speech contest? Attend FHA, Drama, and Pep Club meetings? Be the cheerleaders sponsor? Come and visit in your classes? Attend all the sports at home and far away? Only Mr. Gene Cranfill!!!

The Yearbook staff voted to dedicate this book to someone who cares, is liked by all, is a hard worker for the betterment of YHS, and to someone who gets involved, Mr. Cranfill! Look closely at the pictures on this page, in them you will see a man at work, a man who helps, someone who is willing to give his time to others, a man who deserves this dedication and more. YHS salutes Mr. Gene Cranfill!

Making his rounds, Mr. Cranfill stops at the office to talk to aid, Dela Suaer.

Assisting in speech class with Michelle Bodine is where we see Mr. Cranfill very often.

You can see the anticipation on Mr. Cranfill's face as he gets ready to eat in Home Ec. with Barbara Todd and Bridget Donnelly. You won't see him in this place often; Mr. Cranfill in his office.
